

WCSEIT2023

X World Congress on Systems Engineering and Information Technology
December 13, 2023 included in COPEC Flash Week 2023 on December 10-14, 2023
Systems Engineering and Information Technology as Active Tools for Social Health Balance

<https://www.copec.eu/wcseit2023>

Organized by: Science and Education Research Organization (COPEC)

Promoted by: World Organization on Systems Engineering and Information Technology (WCSEIT)

Host: State University of Bahia (UNEB) and Tipemse Research Team

IMPORTANT DATES

Paper Submission:	November 30, 2023
Notification of acceptance:	December 02, 2023
Camera-ready Manuscripts due :	December 07, 2023
Congress:	December 10-14, 2023

Scientific Program: The duration of **COPEC Flash Week 2023** will be five days, with all technical sessions at **WCSEIT2023** being held on **December 13**. The scientific program will include:

- . Workshops
- . Plenary Sessions
- . Oral presentations
- . Panels and Round-Table meetings

Paper submission: Prospective participants are invited to submit by homepage one paper. After the notification of acceptance of the paper, the author should send and submit the Full Paper or the WIP, via home page according to the models. Details for submission, including templates, are available on the congress homepage: <https://www.copec.eu/wcseit2023>

A Work-in-Progress Paper (WIP) must have four-page maximum. A WIP describes preliminary developments of an on-going project at an early stage that involves state-of-the-art status, implementation, creative pilot programs, or nontraditional concepts. It must contain the details of the scientific and/or educational feasibility of the project, including expected outcomes.

Proceedings and Book of Abstracts: The proceedings and the book of abstracts of the congress will be published online and will be available at the time of the congress. Both will be registered in ISBN with international validity; besides, the proceedings have ISSN because they are also a periodic. All published papers will have DOI (Digital Object Identifier).

Congress Language: English, Spanish and Portuguese will be the official Congress languages.

Workshops: During the Congress, some workshops will be offered. The Full Program will be available at the homepage: <https://www.copec.eu/wcseit2023>

Objectives: This conference will provide a major international forum for the exchange of information on research and recent developments towards the improvement of all Systems Engineering and Information Technology fields. During the Congress, the integration between the worldwide market and Systems Engineering and Information Technology areas will be discussed the curriculum guidelines as well for applied ITC.

Topics: The Congress topics include, but are not limited to:

Advanced Architecture for Information Technology and Communication
Business Process in Engineering and Management, E-Business and Competitive Strategy
Education in Systems Engineering and Information Technology
Global, Cultural and Social Issues in SEIT
Healthcare Information Systems Issues
Human Computer Interaction and Human Behavior
Innovative and Reliable Systems Development in SEIT
Knowledge Management and Business Intelligence
New Challenges for E-Government
Project Management and ITC Development
Security and Privacy of Information
Other (You may submit papers on other topics)

General Chair: Claudio R. Brito

Co-Chair: Melany M. Ciampi

Local Chair: Valnice S. Paiva

Vice Local Chair: Patrícia S. Carvalho

Technical Program Chair: Maria Feldgen

Award Chair: Osvaldo Clua

Address for Correspondence:

Prof. Dr. Claudio R. Brito

General Chair of **WCSEIT2023**
